Wholesale Commercial Laundry Equipment now serves Northeastern vended laundries

Southside, Ala.--Wholesale Commercial Laundry Equipment S.E. LLC (Wholesale) – a laundry equipment distributor based in Southside, Ala. – now serves vended laundries located in Delaware, Eastern Pennsylvania and areas of New Jersey, including the counties of Mercer, Burlington, Ocean, Camden, Salem, Gloucester, Atlantic, Cumberland and Cape May.

Wholesale also serves vended laundries throughout the Florida Panhandle, Alabama, Mississippi, Georgia, South Carolina and parts of Tennessee.

A full-service distributorship, the Wholesale team works closely with laundry investors to develop profitable and efficient vended laundries – assisting with site selection, financing, laundry design, equipment selection, store management, marketing and service after the sale.

Laundry industry veteran Greg Whitman, Wholesale vice president of sales Northeast region, will manage the new territory. “Greg is a very experienced and a diligent laundry industry professional who works closely with our customers – coaching them on methods for improving laundry efficiency, productivity and profitability,” said Arbuckle. “We are excited to offer coin- and card-operated laundry equipment – backed by unrivaled service – to our new Northeastern geographic areas,” said President Russ Arbuckle.

Wholesale offers a full lineup of vended, on-premise and industrial laundry equipment. The company represents Continental Girbau, ADC, LG and Aquawing Ozone® brands.

Discover more about Wholesale at www.alaundryman.com, or call 866-544-7228.

A 26-year-old company, Wholesale Commercial Laundry Equipment S.E. LLC, received

the Continental Girbau Inc. U.S.A. Distributor of the Year Award in 2013. Ever focused on quality products and customer service, Wholesale offers a complete lineup of vended and on-premise laundry equipment – solutions engineered and designed to lower labor and utility costs, while improving profits, productivity and customer satisfaction.
