## Wholesale Commercial Laundry Equipment expands service into Northeast

Southside, Ala.--Wholesale Commercial Laundry Equipment S.E. LLC (Wholesale) – a laundry equipment distributor based in Southside, Ala. – recently expanded its on-premise laundry service area to include the entirety of Delaware, as well as several counties in Pennsylvania (Bucks, Montgomery, Philadelphia, Delaware and Chester) and New Jersey (Mercer, Burlington, Ocean, Camden, Salem, Gloucester, Atlantic, Cumberland, Cape May). Wholesale also serves customers throughout the Florida Panhandle, Alabama, Mississippi, Georgia and South Carolina, as well as parts of Tennessee.

Wholesale is a full-service distributorship offering laundry equipment, installation, technical service, parts and unrivaled customer service before, during and after the sale, according to President Russ Arbuckle.

Laundry industry veteran Greg Whitman, Wholesale vice president of sales Northeast region, will manage the new territory. “Greg is a very experienced and diligent laundry industry professional who works closely with our customers – coaching them on methods for improving laundry efficiency, productivity and profitability,” said Arbuckle. “We are excited to offer on-premise laundry equipment – backed by unrivaled service before and after the sale – to these new Northeastern geographic areas.”

Wholesale offers a full lineup of on-premise equipment, including washers, dryers, ironers, gear dryers and athletic laundry systems. The company represents Continental Girbau, Sports Laundry Systems™, Ram Air, ADC, LG and Aquawing Ozone® brands.
